

To our valued customers and friends,

We don't have to tell you about the major impact the Coronavirus (COVID-19) is having on all of our communities. Here at PartySavvy, we have been keeping a vigilant eye on the very fluid and quickly changing situation here in Pittsburgh. We are actively monitoring the guidelines from the Centers for Disease Control (CDC) along with those from our local U.S. health authorities.

After much consideration and in the best interest of our surrounding community and the health of our employees, we have made the difficult decision to close our showroom to the public effective March 18th, 2020. We believe it is our social responsibility to do our part to slow the spread of COVID-19. We plan to be closed at least until March 30th, 2020. Please check our website for updates.

At this time, it is our intention to be in the office to answer phone calls from 9 AM to 5 PM Monday – Friday during this closure, primarily to handle emergency calls. If you reach our answering machine, please leave a message, or call the emergency at 412-292-5533. You may also contact us by email at info@partysavvy.com.

How We Can Help You: There will be no penalty for orders that are postponed to a later date. We will discuss deposit refunds for order cancellations on a case-by-case basis.

How You Can Help Us: If you are planning an event for later this year, consider reserving your rentals today!

We are currently working hard to support local hospitals, governments, and businesses by providing tenting services for temporary exam rooms and drive through testing facilities. Our team is prepared and equipped to continue to provide tenting services and event rentals as needed during this unprecedented time. Please call our office for more information and let us know how we can support you.
